

# WRIGHT TOWNSHIP

Ottawa County, MI

## APPLICATION FOR ZONING PERMIT/INSPECTION

Required for all permanent structures not needing a building permit in all zoning districts.

Wright Township requires an on-site inspection to ensure compliance with township zoning ordinances. A copy of the Wright Township zoning ordinances, describing area and setback requirements, etc. may be inspected during regular Township business hours or copies are available for purchase or accessed on the web at [Wrighttownship.com](http://Wrighttownship.com).

### INSTRUCTIONS TO APPLICANT:

- 1.) Complete this application form, including site-diagram on page 2, and submit with a nonrefundable \$45 inspection fee payable to Imperial Municipal Services. Mail, or deliver to:  
Imperial Municipal Services  
263 Northland Drive NE, Rockford, MI 49341  
Phone: (616)863-9294
- 2.) After submission the Zoning Administrator will return a copy of this form indicating if the site diagram complies with the ordinances.
- 3.) When the site diagram shows compliance you may erect the structure.
- 4.) After the structure is complete, please contact the Zoning Administrator to make a final inspection.

**WRIGHT TOWNSHIP**  
**ZONING PERMIT INSPECTION SITE DIAGRAM**

Site Plan: (Please read carefully and complete.) Use the space below to draw a diagram showing all the following items.

1. The dimensions of the lot or acreage. (All sides.)
2. The location, with the distance to the lot lines, of all existing and proposed structures.
3. The dimensions of all existing and proposed structures.
4. The distances between all existing structures.
5. The location of all roads bordering or on the property.
6. The location of any lakes, streams, or wetlands on or near the property.
7. The location of any power and gas lines on the property.
8. The location of any easements of the property.
9. A North arrow indicating direction of North.

(A copy of an existing survey with the location of the proposed building sketched in and any other required data may be used to fulfill the site diagram requirement. Please attach to this form.)

**Do Not Write Below This Line to be Completed by The Zoning Administrator**

Setbacks: Front (            )Ft. Rear (            )Ft. Side Total (            ) Lot Width (            )Ft. Lot Area (            )Sq. Ft. Dist. Between Bldgs. (            )Ft. Zoning Dist. (            )

Zoning Permit Application

Approved (            ) Denied (            )

**Front setbacks are measure from the road right of way, not from the edge of the asphalt or the center of the road. Side and rear are measured from property lines to structures.**
